   Lab #: 5
 5
    Source Code: Lab5.java
 6
    Action: Determines if a number is positive, negative or zero.
 7
            Stores # of positives, negatives, and zeros. Displays
 8
            count on exit.
 9
            Only takes Y || y for start/continue. N || n for quit.
